## LIFAX FOUNDATION for Northern Ireland

# Contributing to vulnerable communities through financial and non-financial resources

## **GRANTS OVERVIEW 2022**

The Halifax Foundation for Northern Ireland supports charitable organisations within Northern Ireland to enable people, who are disadvantaged and/or with special needs, to participate actively in their communities.

#### During 2022, the Foundation provided 607 grants across all Grant Programmes totalling £1,340,828.

We funded 268 organisations through our Grants Programmes. This included grants from the Community Grant Programme, the Large Grant Programme, the Special Initiatives Grant Programme and the Matched Giving Programme. The Large and Special Initiative Grant programmes offered multi year funding to 17 organisations. We continued to administer the Matched Giving Scheme for colleagues of Lloyds Banking Group, on behalf of the Bank. In addition, we were able to provide £500 cost of living payments to 230 grant holders. This was due to a generous donation of £107,000 from Lloyds Banking Group, to support our local charities navigating a particularly challenging environment.
